

The Easiest Way to Pay Your Bill

Our new online payment option saves you time and gives you more flexibility in how you pay your bill.

If you have an internet connection and an email address, you can now pay your bill online! It's fast, it's easy, and you no longer have to write a check each month or find a stamp when it's time to send in your payment.

How It Works

We have partnered with Xpress Bill Pay, the premier provider for online payment systems.

When you sign up for online bill payment, you will get a secure password to access your personal account at xpressbillpay.com. Every month we'll send you a reminder email to let you know when your bill is online.

Then, log in through your web browser and view your bill. Select a payment type — credit card, debit card, or electronic funds transfer — enter the requested information, and you're done!

It's that easy, and it only takes you a few minutes.
